

SKY FORGE PRIVATE LIMITED.

ENLISTMENT OF OUR COMPANY AS APPROVED VENDOR FOR SUPPLY OF HIGH PRESSURE PIPE FITTINGS AND FLANGES

We are pleased to introduce ourselves as SKY FORGE PVT. LTD. a well-known BHEL, IBR and others TPI approved manufacturer of small, medium and heavy metal forging and pipe fitting since 1991.

We have ability to produce a wide range of forge fittings from 0.5" to 54" and flanges from 0.5" to 40" and others customise forging as per customer's specification and drawings.

Our products are forged out from different material specification such as Carbon Steel, Alloy steel, Stainless Steel, Duplex, and low temperature Carbon Steel etc. Conforming to various standard ie, ASME ASTM, API, etc National and International Standards and specifications under customer appointed Third Party Inspection agencies viz Lloyds, DNV, BVIS, TUV, IRS, Tata, Bax Counsel and others, who are frequently visits our work place for stage wise inspection. Our full manufacturing process has been accepted and approved by nominated third party inspection agency prior to delivery.

We are currently one of the leading suppliers to various Government and private sector of companies which include the BHEL, IOCL, RCFL, IGL, RIL, GAIL, NTPC ETC also registered with IBR for manufacture and supply of IBR Flanges & forge fittings.

We have all the required facility in- house available on our work premises to manufacturing the aforesaid items including Heat treatment, destructive and non - destructive testing.

We are also fully equipped with all modern infrastructural requirements for forging, Heat Treatment and machining of our products and all managed by qualified and dedicated workforce having long experience in flanges and forge fittings industry.

We are also registered with the department of Industries, Govt. of Haryana as Small Scale Industrial unit for manufacture and supply of flanges and pipe fittings besides having registered with various statutory authorities.

We have a team of fully qualified and experienced right from Director to the supervisor level in all the department including quality assurance and quality control department which is headed by a highly qualified and technical group of personal, assisted by well qualified Q.C Engineers.

Due to timely delivery and quality consciousness, through knowledge of standards, customers feed - back, highly qualified personal in house, manufacturing, testing, machining, and wide range of products including expensive quality check-up and aim to satisfy to all customer satisfaction, SKY FORGE grown up to the top within a very short period of time and determine to keep up consistent tempo.

We request you to please enlist us as your approved vendor list and send us your valued enquires. We assure you for quality product, comparative price and on top with timely delivery.

Thanking You
Yours truly,
For Sky Forge Pvt. Ltd.

(Pankaj Khurana)
Sr. Manager – Sales

LIST OF MACHINERIES				
S.N	DESCRIPTION	SIZE / CAPACITY	QTY IN NOS	MAKE
1	Hammer (Drop Forge)	2 Ton	1	Basant
2	Slide Screw Forging Press	400 ton	1	Birson
3	Fraction Screw Press	100 ton	1	Birson
4	Oil fired heating Furnace	5 to 20 kg	3	SF
5	Automatic Band saw	12"	2	Tannu Tools
6	Automatic Band saw	10"	1	Tannu Tools
7	Lathe Machines	6 Ft to 8 Ft	16	Delhi
8	Hydraulic Press	250 ton	1	SF
9	Milling Machines	VM3	1	Itali
10	CNC Machines	DX – 200	1	Joyti Machines
11	Radial Drill Machine	21/2" , 11/2"	1 each	Goel Machines
12	Short Blasting Machine	250 Kg	1	VEW
13	Power Presses	250 , 200 ,150 ton	1 each	Basant
14	Power Presses	100 ton	4	Basant
15	Welding Rectifiers		2	IOL
16	Fork Lift	2 Ton	1	Godrej
17	Profile Cutting Machines	4"	1	Delhi Make
18	Grinding Machines	12"	1	Goel Machines
19	Muffle Furnace	4"	1	Delhi make
20	Angle Grinder	AG 7 & AG4	4 each	Bosch
21	Heat Treatment Furnace		1	SF
22	Induction furnace	4"	1	Stedfast
23	DG set	220 & 40 KW	1 each	kirloskar
