Dear Hiring Manager,

I am writing to inquire about the job openings for the position of **Entry Level Engineer** in your organization.

I am a fresh B.E graduate. I completed my B.E in **Automobile Engineering** from The Oxford College of Engineering, Bengaluru in the year 2017 with an aggregate of **70.50%**.

- My technical skills and knowledge appear to be well suited to your company requirements.
- I have undergone training in **CATIA v5 Fundamentals** and also possess basic knowledge in **Manufacturing Process**.

I am seeking a challenging job that would boost my skills and knowledge with the objectives of the organization.

I would appreciate an opportunity for a personal interview if you feel I would be a strong candidate for any position in your organization.

Thanking you in anticipation of a favorable reply.

Yours sincerely

**SATYANARAYANA MOHANTY G**
