(resident and visiting) to ensure delivery of learning linkages
I - Ensure that suitable and timely feedback is provided to students in
various courses (finalization and release of evaluation)
- Sourcing/hiring good faculty for new courses or where
replacement is required.
- Finance Track: curriculum design, delivery, faculty, club activities
☐ <i>Teaching:</i> Taught finance subjects effectively by constantly
updating content and pedagogy. This resulted in the highest student
ratings for teaching finance subjects in most years
☐ Student Development: Enabled a progressive learning journey of the
students and their holistic development in all respects through
mentoring and monitoring of learning design. Also assisted and co-
ordinated outside class activities/tutorials/clubs to enhance/
strengthen student learning and leadership and to ensure their
employability development
☐ Institution Building: Enabled institution building by providing
support to other functions like consulting, marketing and
placements
□ Partnerships: I helped enhance the value proposition of BLP
through partnerships with various stakeholders like industry for live
projects, other global B-schools for student exchange programs, and
so on. Research Work:
