**Independent Auditor's Review Report on the Quarterly Unaudited Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.**

**Review Report to  
The Board of Directors  
Shivam Autotech Limited**

1. We have reviewed the accompanying statement of unaudited financial results of Shivam Autotech Limited ('the Company') for the quarter ended June 30, 2024 (the "Statement"), being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended thereafter (the "Listing Regulations").
2. The Company's Management is responsible for the preparation of the Statement in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. The Statement has been approved by the Company's Board of Directors. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standards ('Ind AS') specified under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

**5. Emphasis of Matter**

Note 4 in the statement regarding management judgment for determining deferred tax assets and minimum alteration tax (MAT) credit entitlements of Rs.1989.25 Lakhs and Rs.1057.86 Lakhs respectively for earlier years which is available to the Company on the assumption that there will be sufficient future taxable profits. As a matter of prudence, deferred tax assets have been recognized till March 31, 2021. Deferred tax assets have not been recognized for the quarter ended June 30, 2024.

Note 5 in the statement regarding booking of material consumption and accounting impact of physical verification more fully explained in the said note.

- 2 As the Company's business activity falls within a single primary business segment viz 'Automobile Parts, and is a single geographical segment, the disclosure requirements of Indian accounting Standard (Ind AS-108) " Operating Segment" are not applicable.
- 3 These results have been prepared in accordance with the Companies (Indian Accounting Standards) Rules, 2015 (Ind AS) prescribed under Section 133 of the Companies Act, 2013 as amended and other recognized accounting practices and policies to the extent possible.
- 4 Significant management judgement is considered in determining deferred tax assets and recoverability of deferred tax assets and Minimum Alternate Tax (MAT) credit entitlement of Rs.1,989.25 Lakhs and Rs.1,057.86 Lakhs respectively. The recoverability of deferred tax assets and Minimum Alternate Tax (MAT) entitlement is based on estimate of the taxable income for the period over which deferred tax assets and Minimum Alternate Tax (MAT) entitlement will be recovered. The Company has unabsorbed business depreciation and MAT credit which according to the management will be used to set off taxable profit arising in subsequent years from operation.
